

ArtWorks Studio Tours to take place the last weekend of September.

Saranac Lake area artists will open their workspaces to visitors on **Friday September 29th, Saturday September 30th, and Sunday October 1st.**

Studio Tours are self-guided and free to the public. Studio Tour hours are 10 a.m. - 5 p.m. on Friday, Saturday, and Sunday. **Some galleries may have different hours, so please call or check individual gallery websites for business hours.**

Information about each artist, the dates they will be participating, and a map to help you plan your Studio Tour may be found on the ArtWorks website, saranalakeartworks.com. During the Studio Tour weekend look for ArtWorks Studio Tour banners and directional signs to guide you to participating locations. **Different artists will be participating on different days, so please be sure to check the schedule for each artist you want to visit when planning your tours.**

Artists' studios and galleries in downtown Saranac Lake are located within walking distance or a short drive of one another. Some locations will be hosting visiting artists as well. To visit artists' studios throughout the surrounding region, check the map and each artist's participating dates to plan your own driving tour, see the spectacular fall color on display in the Adirondacks, and get a head-start on your holiday gift shopping.
